Call to Artists and Collectors

Framed Fidos is a small community exhibition of visual art that is inspired by the domestic dog. With a larger cat show, *Flaunting Felines*, displayed in the adjacent gallery dog lovers must unite and represent man's best friend.

Participation: Local and regional artists, collectors, and dog-enthusiasts of any age are invited to participate. Artwork made by expressive dogs is also welcome.

Artwork Presentation: Artwork may be in any medium. All artwork must be gallery ready with frames, wiring, or any special hardware needed to install the piece. Pedestals are provided. Digital submissions must provide their own viewing devices. Artwork cannot exceed 4 feet in any dimension. The Art Center reserves the right to refuse any work that is not gallery ready, may be considered potentially offensive or does not appropriately fit into the theme of the exhibit. If an artist brings in more than one artwork, additional artworks may not be displayed if exhibit space is limited. Please contact Jennifer Teter if you have any questions regarding the installation of your artwork.

Reception: Friday, May 4, 2018, 7 – 9 p.m. All artists are invited to say a few words about their artwork during the gallery talks starting at 7:30 p.m. This reception coincides with the opening for the *Flaunting Felines* and *Atmospheric Paintings* by Victoria Lowe exhibits.

Cat Walk: Monday, May 7, 2018 at 9 a.m. Artists are welcome to say a few words about their artwork during this Coffee with the Curator program for Members of the Art Center.
