Cool Collagraphy

Create one of a kind prints! Make a printing plate using heavy paper, cardboard, & more materials to learn about composition & texture.

Color by Expression

Create an abstract painting using tempera cake paints on watercolor paper! Learn about basic color theory!

Creative Quilling

Roll, shape, and glue strips of paper together to create decorative designs! Paper quilling will be used to investigate patterns & forms.

Human Figure Sculpture

Create a human figure out of tin foil! Use the concept of "ideal proportions" as explored by artist Leonardo Da Vinci. Sculptures will focus on movement & space!

Ready, Set, Action!

Draw the human figure in action using quick lines! Students will be introduced to gesture drawing and create several figure drawings using pastel chalk.

Pottery Wheel

Learn how to throw on the pottery wheel! Learn about clay, tools, and the kiln. Students must be in 4th grade or older. There is a maximum of 9 students at a time.
