Oakley Lindsay Civic Center Foyer

## Call to Artists

The theme of this exhibit is inspired by the play, *Good People*, that explores social class in America and how the divide influences perceptions and stereotypes. Questions posed by the play that can also be explored in the artworks are: What do we *deserve*? If we are good, do we *deserve* good things? Will good things happen to us? Are we products of our choices or of good luck? A script of the play can be found at [www.1qct.org](http://www.1qct.org). Artwork will not be judged on how closely it aligns with the play itself but rather on artistic merit and fit of the overall theme.
